Come for an engaging session with one of our very own, Savannah Arroyo (2C), as she shares her expertise on **passive real estate investing**. Savannah, a dedicated nurse and savvy investor, will guide you through practical strategies to build wealth through real estate, specifically tailored for healthcare professionals.

- Receive a complimentary copy of Savannah's book, *"Passive Profits: How Healthcare Professionals Can Passively Invest In Real Estate and Retire Early."*
- Enjoy coffee and pastries as you network with fellow members.

Whether you're new to investing or looking to refine your strategies, this is a fantastic opportunity to gain valuable insights and take a step towards financial independence.
